Community:

- [Veterans Empowerment Organization of Georgia](#)
“Our Self-Sufficiency Model focuses on taking "Invisible Veterans" off the streets of our cities and placing them into a safety net of support that provides immediate and long-term housing, treatment and recovery for addiction, healthy meals, basic necessities, and clothing, as well as medical care, mental health counseling, life-skills training and workforce development support.”

Employment, Education, and Training:

- [Operation Workforce Georgia](#)
“Veterans are able to utilize these resources to translate their military occupational classifications into civilian occupations that best align with their skill set and training. Through this site, veterans can also create a profile, upload a resume and search and apply for career opportunities posted by registered Georgia employers who have pledged to hire military heroes.”

[Email Contact form](#)
- [Healing 4 Heroes](#)
“Healing4Heroes™ has dual purposes in that it serves the community by helping military personnel and veterans as well as local animal shelters by rescuing suitable dogs. Our military personnel and veterans move forward, living more productive lives after being wounded both physically and/or mentally with the assistance of service animals. The lives of unwanted shelter dogs are saved by becoming trained service companions. Service dogs are free of charge to the veteran.”

Legal:

- [Georgia Department of Veterans Services](#)
“The GDVS mission falls into two basic tasks: informing veterans and their families about veterans’ benefits, and directly assisting and advising veterans and their families in securing the federal and state benefits to which they are entitled.”
